

# 1

## DETERMINE POLICIES & LEVEL OF INVOLVEMENT

If a disaster happens within  
100  200  300   
miles of our church

- We will pre-build sheds and get them ready for transportation

50 100 200 300

But if a disaster happens  
within 50 miles of our church

- We will allow teams to bunk at the church 
- We will let our parking lot be used as a staging area 

# 2

## SET ASIDE THE \$\$\$

1K = 1 Shed   
2K = 2 Sheds   
3K = 3 Sheds 

If we are outside  
the 300 mile  
radius, we will  
send teams to  
set-up the pre-  
built Sheds of  
Hope 

# 3

## TRAIN THE PEOPLE

PRE-BUILT  
SHED   
8 People  
8 Hours

PRE-CUT  
SHED   
3 People  
3 Hours

# 4

## PREPARE FOR ACTION

**Download the Shed Plan at**  
<https://churchgps.wordpress.com>

**Recruit a Leader and Communicate  
 the Opportunity**

**Order A Shed-in-a-Bucket**

*All the Hardware Needed  
 to Put a Shed Together Fits in  
 a 5-Gallon Bucket*

### Two-Year Follow up Plan

If Your Church Is Within 50 Miles it may be  
 assigned a family and a shed

- Paint shed within one month of set-up
- Then go back to re-level and fix anything  
 broken at 6, 12, 18 and 24 months from the  
 set-up date and see how they are doing
